

Matt Sherry – Bio

My name is Matt Sherry and I'm honored to serve on the board of Mullen's Miracles. I have 17 years of experience in Law Enforcement with four of those being in the capacity of School Resource Officer and I'm currently serving as a school Resource Officer at Apollo High School in St. Cloud, Minnesota.

I started my Law Enforcement career in 2001 at the University of Wisconsin-Parkside as a part-time officer working on campus. I was hired by the Middleton, Wisconsin Police Department in 2006 where I worked for 6 years. For three of those years, I worked as a School Resource Officer at Kromrey Middle School. I also worked with the three elementary schools in Middleton. In 2012, I moved to Minnesota and worked for the Rogers Police Department for one year before moving to the St. Cloud Police Department where I've been for 7 years. In 2019, I took my current position as School Resource Officer at Apollo. During my part-time work in Law Enforcement at the start of my career, I also worked for Mercy Options-CCI in Janesville, Wisconsin. This was a residential treatment facility for juvenile mental/behavioral health patients. The residents ranged in age from 7-17 years old.

In my spare time I enjoy spending time with my significant other, Tracy, and our blended family. My twin girls, Tracy's daughter and son keep us busy. I also enjoy music, sports, hunting, and exercising.

I have had the opportunity to be in contact with hundreds of people that were in crisis and needed help. I've been able to help most of them, but unfortunately have not been able to help some. Being a part of Mullen's Miracles will allow me to continue to give back to a community larger than just my geographical area.
